

Luxon Pay Integration Timeline

Overview of the Luxon Pay integration
From Kick-Off to production

Integration Kick off

- Review the Luxon Pay API documentation on luxon.com
- Complete commercials and contract signing
- Define technical point of contact for integration with Luxon Pay
- Determine communication channel – Slack is the most recommended, Skype is an option

Who

- Merchant**
Technical owner
- Luxon Pay**
Onboarding team

Onboarding

Luxon setup **First step:** share required details with the Luxon Pay representative

Second step: Set up in Luxon Pay and providing the INTEGRATION Keys for the testing environment

Third Step: Receive the testing (INT) Luxon Pay back office (MBA) invite and set up additional users by the merchant
